Whites Hill State College, located in spacious grounds just eight kilometres from Brisbane’s central business district, presents excellent opportunities for students to gain a truly international experience. With a strong history of international student participation, Whites Hill State College is excellent for an Australian immersion experience within a rigorous academic environment. Academic performance is supported by a highly successful positive behaviour program. The college’s curriculum is enhanced by a range of extracurricular activities, including excursions, music and sports. Whites Hill SC is also home to the High School Preparation program, making us the gateway for English for international students on the south side of Brisbane.

Three reasons to choose Whites Hill State College

- Science beyond the classroom through links to the University of Queensland, Griffith University and Environmental Education Centres including the University of Queensland Heron Island Research Facility
- Offers seamless schooling from Prep through to Year 12 to nurture all stages of a student’s development
- Leaders in literacy programs for international students.
